Foreword

Ours is an age of achievement, an era of progress, the keynote of which is knowledge. The first beginnings take place in our homes with the teachings of our parents; then follow a continuous course throughout school and on into life. With each successive accomplishment from early childhood on, a new level of learning is reached to give a broader view to the fields yet to conquer. A knowledge of the past and the vast experience of the present entitles us to high expectations of the future. Our hopes and our ambitions are to surpass the efforts of our predecessors to earn for ourselves a creditable place in this fast advancing civilization. It is our aim that through the following pages the many memories of our struggle for attainment thus far will long remain a challenge to our future accomplishments. It is with pride that we, the class of 1958, present as the theme of our yearbook,

"PROGRESS".

Dedication

There are many characteristics shared by good teachers. Good teachers have a thorough knowledge of their subject, a firm desire to express this knowledge to their students, and a wish to further the education of each of the pupils entrusted to their care. There are some teachers, however, who are more than good teachers. They are friends of those who come to them for help. Throughout our high school years, but especially in our Senior year, we have always felt free to turn to them whenever a guiding hand was needed. The years that we have known them have been made happier by that relationship. In gratitude for the job they have performed as excellent teachers, close friends, and able Senior sponsors, we, the Class of 1958, proudly dedicate our HANDLIAN to you,

MRS. PEERY

When discouragement caused darkness,
She was our torch of light.
When weakness threatened our success,
She was our tower of strength.
When dreams were fast fading,
She was our inspiration.
When the load became too heavy,
She was our rod and our staff.
When temptations came upon us,
She was our reassurance,
When failure seemed to be inevitable,
She was our guide and counselor.

To Our Guidance Director—
Deep Appreciation!

MR. JONES

Accepting the sponsorship in our Senior year, Mr. Jones has become very much a working part of our activities. Where encouragement and new ideas were needed, he provided them and notably aided us in our projects. To you, Mr. Jones, we give our heartfelt thanks.

CLASS HISTORY

Twelve long years ago, we, the class of 1958, entered one of the two primary schools in Winchester. Frightened by the mysterious thought of a whole new world opening before us, we frantically clung to our mothers and begged them not to leave us.

Somehow we managed to live through that first long school day, and we all looked forward to each day of school. Each of us vividly remembers the exciting fire drills during which we fearfully descended the fire escapes, not daring to look at the hard ground beneath us. Our world was bound by the four walls of the school, and our horizons did not extend beyond them. Remember the competition which was built up when we took our arithmetic "speed tests"? Many of us looked forward to lunch time when we crowded into one room with our lunches in paper bags to chat with our friends. Not to be forgotten is the "bad box" which held terrors for those who fell from grace. At the end of each of these first three school years, we especially looked forward to our procession when we placed flowers on John Kerr's grave in Mount Hebron Cemetery. After being dismissed, each of us was glad to see our mother's familiar face awaiting us at the entrance to the cemetery.

Then came the day when we felt we were grown. We hesitantly stepped through the portals of awe-inspiring Handley High School. The sophisticated manner of those who had already been there a year filled us with envy. After a carefully guided tour through Handley, we felt that we had been initiated into the ranks, and the halls did not seem quite so long and wide. Who could ever forget the fun we had studying Greek mythology in the sixth grade, and the play which followed this study?

Our entrance into Junior High School marked another milestone in our lives. Being able to change classes with the older students and having a different teacher for each subject relieved the monotony of the long day. Attending chapel services in the auditorium three times each week fostered a new reverence within us. We took pride in seeing members of our class stand and lead with as much ability as some of the upper classmen. We had the new privilege of attending the General Organization Party, our first school dance, and we also were allowed to vote for the officers of this organization, and build up in us a new type of school spirit that increased with the years. However, the seventh grade was not all pleasure. This year, with trembling hands we experienced our first real examinations, and we were truly glad when they were over! Shortly after the beginning of the second semester, practice for the Apple Blossom Festival began; these practices were held outside as soon as the weather permitted.

CLASS HISTORY

After two years of Junior High School, we eagerly awaited the first day of school in the ninth grade when we would enter high school as "Freshmen." The importance of deciding upon our courses of study was imposed upon us by members of the faculty who advised us to consult with our parents on this matter. Then we went our somewhat separate ways—choosing one of several courses. This year we actually felt as if we were a part of things because now we could be elected to membership in many of the clubs and participate in other extracurricular activities.

Our Junior year held many responsibilities. This year our class sponsored the Junior Stand where we sold refreshments to the spectators at the football games in which some of our boys were playing. Our Junior Play, "The Old Lady Shows Her Medals," was the first play presented by our class, and we all were filled with pride when it was awarded a distinguished rating at the District One-Act Play Contest and a superior rating in the state.

At last the big day arrived! We received our Senior rings and really felt important when we were called Seniors. This year was undoubtedly the best year of our school career, for we had at last reached the goal we had set out to achieve. The privileges of being first to lunch and first to leave the auditorium after chapel services and assemblies were truly impressive to us. We worked diligently to edit our yearbook, the HANDLIAN, and spent many extra hours on this task. After many tedious hours of practice, our Senior Play, "The Little Dog Laughed," was viewed by many and was declared to be a whopping success. Our Senior cards, invitations, and caps and gowns were at last ordered, and we realized with a shock that our graduation day was drawing near. When the day finally arrived, we reluctantly accepted our diplomas and realized that our last twelve years had actually flown past.

As we enter into a new life, we sincerely want to thank those who advised us during our past twelve years. We also wish to thank Miss Strader and Mr. Jones for their untiring efforts in sponsoring our class. When we look back on the day when we first entered school as frightened youngsters to the last day of our high school career, it is with joy and pride that we say Handley has prepared us well for our life ahead.

SENIOR POEM

The World Waits Not

Richard Rewis

Some say that now at last we can face life—
That now we can go out from Handley High
Into the world and see what it's about.
That is not wholly true; we lived life here!
We lived it hard and came to grips with all
The universal problems of the race.
We've moved and had our very being in
A world that somehow never learned to wait
For graduation day to start to throb.
We've grasped the many-colored stuff of life—
The dark of pain, the bright of joy and hope.
The threads of destiny run through these halls;
We've traced each pattern through. Though we shall
Find all these again, 'twas here we found them first.
And so forever on our hearts will be
Engraved remembrances of former years—
Of life made dearer by its first embrace.

BOOSTER CLUB

A special salute to the Handley Booster Club on the occasion of its twenty-fifth anniversary!

* * * * * * * * * * * * *

In 1933 Mrs. Edward Barr founded the Handley Booster Club in hopes that it would serve a dual purpose. She felt the need for an organization to promote a keener school spirit through assisting other organizations in the work of carrying out all authorized school activities. The second purpose was to encourage the maintenance of higher standards and to give special recognition to junior and senior girls who attained high intellectual achievement and presented evidence of outstanding leadership and citizenship.

Invitations to new members are issued twice yearly. Eligibility is based on a point system covering scholarship, citizenship, and leadership.

* * * * * * * * * * * * *

ACTIVITIES

The activities of the Booster Club cover a twelve-month period. A group of girls solicit ads for the school's football programs during the summer months. Next they prepare the dummy for the programs so all will be ready for the opening game. Members sell these programs at all home games. The money received goes to help defray the team's expenses.

The biggest job is the publishing of the "Junior Evening Star," the weekly school publication, in conjunction with the "Winchester Evening Star." This paper gives a complete coverage of all school activities.

BOOSTER CLUB

A second-hand bookstore is operated for the convenience of all junior and senior high school students. This gives students the opportunity to dispose of their used books and to buy them second-hand at a saving.

The club sponsors an assembly program in the early part of the school year, the purpose of which is to familiarize students with the various organizations.

The week before Christmas a large gaily-decorated Christmas card box is placed in the main corridor for use of the students in junior and senior high school.

To increase interest in the literary field, the club sponsors a spelling bee and a literary contest. Cash awards are given winners in poetry, short stories, and essays.

A silver loving cup is awarded the homeroom which presents the best assembly program during the year.

Miscellaneous activities include ushering at the concert of the National Symphony Orchestra, assisting with Parents' Night, and acting as guides, messengers, and helpers at College Day.

HANDLEY 13 ALLEGHENY 0

Traveling to Cumberland to meet the highly-rated "Campers," the Judges were 20 point underdogs. The Handley team drew first blood after about 7 minutes of play in the first quarter on a 70 yard punt return by Crenshaw. The speedster also scored the second TD on a quick toss from Oates around right end. Snapp added the lone conversion to complete our first victory.

HANDLEY 7 WARREN COUNTY 7

An Oates-Crenshaw combination clicked for a much needed TD after three quarters of scoreless play. Due to Snapp's conversion, Handley had a short-lived 7-0 lead. Warren County soon tied the score, and when the game ended, Warren County had a blot on an otherwise clean two-year slate, and Handley had two injured halfbacks.

HANDLEY 14 FREDERICK 19

Minus its two speedy halfbacks, the Judges were upset by the underdog Cadets in a real thriller. Plank punched over for 2 TD's, with Snapp converting both times. The Cadets finally untied a tied-up ball game with only seconds remaining.

HANDLEY 0 FORT HILL 17

On a perfect football day the spirited Judges held the heavily favored Sentinels to a scoreless first half. But soon the scoring tie was broken as Fort Hill racked up 17 points. Although Potts, Crenshaw, and Snapp were out of action, this was the smallest margin of victory in any league game for the Sentinels.

HANDLEY 19 N. HAGERSTOWN 7

This was really Handley's night, as the team scored 1 TD in the first half and two in the second. Potts made good use of the holes opened for him by Shendow, Jones, and Sibert. Scoring honors went to Jones and Plank, and Rainsberger converted once.

HANDLEY 27 S. HAGERSTOWN 7

The single wing attack of the "Rebels" was manhandled by our forward wall boys, Nelson, Shendow, Merriner, Sibert, Donica, and Jones. Scoring was done by Plank, Snapp, and Potts, and Rainsberger kicked 3 conversions.

HANDLEY 0 HARRISONBURG 13

The underrated Blue Streaks turned the tables on the favored Judges with a decisive victory at Harrisonburg. Handley's backs were dumped on continuous losses due to poor blocking. Defensively the Judges surrendered 2 TD's and one conversion.

HANDLEY 19 BEALL 0

Coach Maddex emptied the Handley bench against the tough "Mountaineers" for a Homecoming Day thriller. Nelson, Oates, Jones, and Snapp, assisted by a terrific forward wall, led the Judges to victory.

HANDLEY 0 WESTMINISTER 28

Westminister took to the air to pile up its 4 touchdowns. At no point did the Owl's defense "steamroller" the fired-up Handley squad. The line had a great day. The defensive backfield also ran.

HANDLEY 21 MARTINSBURG 0

With six Handley seniors playing their last game the Judges closed the season in a blaze of glory. Crenshaw, Potts, Snapp, Jones, Sibert, Donica, Shendow, Oates, Hart — all the boys put their hearts into this one. After 3½ quarters of scoreless play, the team exploded 3 TD's to finish their last game for Handley High School.

1957 TRACK TEAM

I. Handley's greatest track team, undefeated for 2 years, has now won 12 straight. Last year the wonder-boys won more trophies than any other team in the history of the school.

Charles Rinker set a new CVAL high jump record and then broke that to tie for a new District 10 record. Tommy Glass pole vaulted higher than any other boy in three states. The 880 Relay boys set a new CVAL and District 10 record, while the milers changed the District 10 record book.

The whole team turned in a marvelous performance, as evidenced by its winnings: The District 10 Trophy, the Handley Invitational Trophy, the CVAL Trophy, and the fabulous State Championship.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
